7 September 2020

Dear pupils, parents and carers,

We are delighted to welcome back the school community. During the first two weeks of the term some learning is to be completed online. Google Classrooms will be used to facilitate this learning.

When you log into your Google Classroom you should see several subjects available to you. All online classes, for the first two weeks, start with BH20 followed by the name of the lesson e.g. BT20 Year 7 English. If you have not used Google Classroom before then we would recommend you start by reading and watching the 'Getting Started with Google Interactive Presentations'. These presentations can be accessed via this website: <http://tinyurl.com/gfmgoogle2020>

To log into Google Classroom you will need your school email address and password. Year 7 will have these issued on Tuesday 8. If any child has lost their email address or password then a request can be made and it will be sent home. To make a request please visit: <https://forms.gle/Csc5T7S1FkUWConaA>

Lessons will follow the timetable prescribed on the following two pages. You are encouraged to plan time to 'log-on' and complete the work at the specified times. Additionally, you can access Google apps for your smartphone with this link: <https://tinyurl.com/gfmapplinks>

Google Classrooms have proved to be a sound way for pupils to learn on-line and we thank you, in advance, for your attention to this letter.

Mr L Mulhall
Assistant Headteacher | GFM

Gomer Lane, Gosport, Hampshire PO12 2QP
