Brune Park Site Development Plan

3G Pitch

Significant improvement to sports field providing an all weather alternative to natural grass. A safe and comfortable surface for the full range of outdoor games.

This will allow PE lessons, clubs and competitive games to continue when a water logged field would previously have meant cancellation.

3G Pitch

Toilets

A programme of redesigned and upgraded student toilets.

Increased numbers of toilets on site.

Future Development

Decarbonisation plan and Site survey have guided key areas for improvement;

- Roofing
- Phase 3 of window upgrades, single glazed to double glazing
