1. Aims

We have carefully considered and analysed the impact of this policy on equality and the possible implications for students with protected characteristics, as part of our commitment to meet the Public Sector Equality Duty (PSED) requirement to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations. We have followed the new statutory guidance on uniform costs ensuring that we keep the prices of purchasing school uniforms down by limiting the number of branded items and ensuring provision for secondhand uniforms.

At King’s Academy Brune Park, we believe the school uniform achieves three important goals:

- ★ **It encourages a sense of community identity and pride.** By wearing the same badge and the same clothing, students are encouraged to think of the needs of the community as well as their own individual needs.
- ★ **It encourages our students to develop habits for life.** By learning to polish their shoes, fold trousers or hang up their blazers, pupils learn the habits of discipline and personal responsibility that will stay with them for life.
- ★ **It prevents unkindness while keeping costs down.** By requiring all our students to wear the same low-cost uniform, we reduce the incentive for students to ask parents for the latest (and most expensive) items of fashion. As a result, costs are kept as low as possible and no child can be seen to be poorer or wealthier than any other.

We understand that, for some families, finances are tight. We believe that, by doing all we can to keep items of fashion out of school, we help families to keep costs down. Nevertheless, if you do have an individual problem, or you are unsure about an item of clothing, please do not hesitate to contact your child’s Head of Year who will deal with your enquiry in the strictest confidence.

All clothing should be clearly named.

Main School Uniform
